CATALOGER — FRED L. LAKE

WELCOME TO SALE #51

You will want to take note of the following for a more complete understanding of some of the abbreviations and conditions of these 646 lots.

- 1.) The initials (TLM) after the description of a **hardbound** catalog indicate that the item was bound by Thomas L. Moore. Mr. Moore's library was purchased by Harry W. Bass, Jr. and the bindings are uniformly well-done. There also are, in some instances, pertinent information and letters regarding the catalogs "tipped in".
- 2.) Col. "Bill" Murray, George Dillingham and Mr. Bass were very careful in placing an imprint or bookplate inside each book. These markings should only enhance the value of the book. In Bill Murray's case, he used the embossing tool with the legend "From the Library of..." and carefully avoided placing that blind-stamp on title pages or the like.
- 3.) Condition of these books and catalogs is, in general, quite good as they were handled with respect and care by the previous owners. Major problems are carefully noted by this cataloger.

Please note!

We are very careful to close our sales at the hour noted on your bid sheet. Late bids will not be accepted. Any lots remaining after the Prices Realized have been printed may be purchased at 50% of estimate.

Payment for lots won is expected within 30 days of shipment by us. We have a proud record of paying our consignors within that 30 day period and we need your help to keep that record intact.

If you have a computer and are online, we can email you the catalog in one of three formats. They are WordPerfect, MSWord or PDF (requires Adobe's "Acrobat Reader" to view) and that reader is available as a FREE download at www.adobe.com.

NEW PAYMENT METHOD!

A method of payment has been developed on the Internet called PayPal. This is a free payment service that allows us to accept MC/Visa payments. When you register, you will also receive a \$10 bonus for signing up and can earn \$10 for each referral that you make. The service has worked perfectly for us over the past month and has allowed us to take credit card payments without the attendant expense. To see how this works, go to the following website:

https://secure.paypal.com/refer/pal=fredlake%40aol.com

This is a secure site and the company is working in partnership with NOKIA, IdeaLabs, Goldman Sachs, and Deutsche Bank. The company is already the largest payment service on Ebay. Again, there is no charge to you for using this service and it is quite secure.

Enjoy the sale and Good Luck with your bidding!
